

# Brooklyn Veterans Memorial Park Pathway Brick Pickup Now through April 20th

We ask that you take **ONLY** the brick that belongs to you or your family member. If you would like to claim your brick, there is a complete itemized list and diagrams outlining where each brick is set in place. You can find this information with the QR code or by visiting the Rec or Senior Center. We ask that each individual come prepared to remove your brick, however, assistance may be available by calling the recreation center at 216-351-5334 from 8:00am-4:00pm daily during this time frame.
